LETTER DATED 14 MAY 1992 FROM THE PERMANENT MISSION OF BELARUS TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

The Permanent Mission of the Republic of Belarus to the United Nations presents its compliments to the Secretary-General of the United Nations and has the honour to report on the measures adopted by the Government of the Republic of Belarus with a view to implementing Security Council resolution 748 (1992).

The Republic of Belarus emphatically condemns all acts, methods and practices of terrorism wherever and by whomever committed. Terrorism endangers the life and fundamental rights and freedoms of people, the security of States and the friendly relations between them.

Belarus welcomes the adoption of Security Council resolution 748 (1992), which, in our view, aims to prevent acts of international terrorism and to ensure the renunciation of conduct associated with the use of force and weapons. The Ministry of Foreign Affairs has brought the resolution to the attention of the competent organs of the Republic, which are carefully monitoring strict compliance with its provisions.

The Republic of Belarus has refrained from establishing diplomatic relations with the Libyan Arab Jamahiriya and has no air links with it. No economic cooperation exists in the areas specified in the resolution, nor are there any military deliveries or exports of aviation technology. The Libyan nationals studying at Belarusian educational establishments are not receiving training in the special areas enumerated in the resolution. The Government of Belarus has taken measures to ensure the prompt return from the Libyan Arab Jamahiriya of four members of the military who were sent to that country from the territory of the Belarusian military area by the military authorities of the former USSR.

The Republic of Belarus affirms its readiness to cooperate as closely as possible in the implementation of the specific measures consequent upon the above-mentioned Security Council resolution.
